

Advertising On "A Storybook Life"

We offer different types of advertising opportunities to help you grow your business.

1. Original Content

If you have a product or service that would be relevant for our readers, we offer a full page content option. With this option, you would submit a 400-500 word article (preferably with pictures/video) that would be helpful to our readers. The article needs to be unique to our site, and can contain up to 3 links. The article, media (if included), and links will all need to be preapproved. This article will not only be on the front page of A Storybook Life, but it will also remain within the site under the correct category.

2. Image Ads

At this time, we are offering 125X125 image block ads on a monthly basis.

3. Text Ads

We offer anchor-text links to preapproved sites on a monthly basis.

If you are interested in any of these options, please send your proposal to:
info@astorybooklife.com

* We pre-approve all ads, and if at any time the approved links redirect to a location other than the preapproved link, we reserve the right to remove your ads. Although no refunds will be given, we will advise you of the removal & give you the opportunity to correct the link.
